

Sendax MDI One-Day Training Seminar

About This Course

IMTEC Sendax MDI[®] Seminars are **beginning** level courses designed for dentists who want to expand their practice regimens by adding the innovative MDI minimally invasive implant system as a definitive solution for patients' loose dentures. These basic courses are lecture-based and will also give participants hands-on training for the patented Sendax MDI Insertion Protocol. Doctors will be able to offer minimally invasive implant treatment in their practices immediately after completing this training. This one day course emphasizes MDI treatment planning, patient profiles, implant placement, restorative techniques and MDI patient marketing strategies.

Sendax MDI Seminars Minimally Invasive Dental Implant System

Space is limited for these courses so clinicians are urged to enroll at the earliest possible time. The seminars run from 9:00 a.m. to 5:00 p.m. and provide 7 hours of AGD approved CE credits. The fee for enrollment is \$545.00. Enrollment forms are available upon request, in addition to various course materials.

Please Note: Do not make flight arrangements until you have received a confirmation letter from IMTEC Corporation with the correct date and information. A confirmation letter will be sent to you once the registration form is received and availability is confirmed. A cancellation two weeks prior to the event will be subject to a 25% administrative fee. A cancellation less than seven days prior to the event is non-refundable. If you have any questions, call 800-879-9799.
